PARENT + CHILD “HOW TO”

- Start class with a 8-10 minutes of open play to explore.
- Quick stretch (count to 5)
 - Feet together, legs straight, reach to toes
 - Standing straddle (left, right, middle)
 - Butterfly (each pick a color)
 - Sitting straddle (left, right, middle)
 - Pike, reach to toes
 - Tabletop
- Explain the station & demonstrate like you would for a preschool class.
- Show the parents how to spot their child on things like rolls, bear crawl, cartwheel, etc.
- Explain to parents that they need to do their best to keep their child on the correct floor to avoid being distractions to the other class.
- Guide through trampoline stations; if needed, being up on the tumble track or in the pit to help them get in and out. Teach them to climb to the wall to get out of the pit.
- **The goal of parent + child is to learn how to be in a structured class and prepare them for the preschool class on their own.**
